

Session 14 Assignment Questions

Please answer your assignments using your own words. Also make sure that if you are getting information from other sources, the source is properly cited or mentioned (APA format preferred), ensuring that you are not submitting work written by others. Uncited sources and AI generated assignments or submissions are considered plagiarism and may result in removal from the course.

Question 1:

Consider what you learned about Flight – Alberta's Early Learning and Care Framework in this session. Choose an age group and design a play experience that will meet the four holistic play-based goals. Explain how each goal is met with examples from the play experience.

Question 2:

What is your role in creating a good environment for play?

Session 14 Assignment Questions

Question 3:

How do toys and/or activities provide support and encouragement for children through play?
