

Session 1 Assignment Questions

Please answer the following questions:

Question 1:

The ability to assess your own characteristics and qualities can help you set goals for further development and decide if you are suited to work as an early childhood educator: Why did you decide to become an early childhood educator? What qualities do you already have that suit you to work with children? Make a list of the qualities you have that help you in your career as an early childhood educator.

Question 2:

Now, review the qualities discussed in this session. What qualities do you not have? Can you think of any ways you could work to improve them? Understanding which positive qualities and characteristics you have, and which ones you need to develop, is important to becoming an effective early childhood educator.
